ORDER

_____ This matter is before the Court on the **Consent Motion for Order [#53]**, which plaintiff filed on March 8, 2006. Within the Motion, *inter alia*, plaintiff represented that “the parties have come to an agreement concerning the issues raised in” Defendants’ Motion to Compel and for Protective Order [#26], as well as the Supplement to Alert the Court to New Developments Impacting the Motions Before this Court and Motion for Enforcement of the Rules [#32], filed by plaintiff. Consent Motion at 1. For this reason, the parties have voluntarily “agree[d] to withdraw these motions” *Id.* Accordingly, and for good cause shown, it is hereby

ORDERED that the Consent Motion for Order is **GRANTED**. It is further

ORDERED that the express terms of the Consent Motion for Order, under which the parties intend and agree to be bound, are controlling. And it is further

ORDERED that the Court will treat plaintiff’s Motion to Amend Protective Order [#28],

Motion to Compel [# 30], Motion to Compel [#31] and Motion to Compel [#47], and defendant's Motion to Strike for Failure to Meet and Confer [#33], as also voluntarily withdrawn because the issues raised therein are resolved in the instant Consent Motion for Order.

Date: March 10, 2006
